Bar Shoe H Livestock wants to thank you for your interest in attending the Richard Winters Advancing Horsemanship with Cattle clinic to be held April 9-10, 2016. The clinic will be held on our farm in Colbert, GA. In the event of inclement weather we have secured the indoor arena at the University of Georgia. The farm, however, offers us a much more versatile setting. The form below is just a registration form. This is to reserve your RIDING slot. There will be unlimited audit slots available at \$25.00/day or \$40.00/weekend. All present, not riding, will be considered auditors. Please note that the fee for the clinic is \$500.00. Stalls are \$50.00. You may use the shavings we have on the farm or bring your own. To be able to offer this we ask that you STRIP your stalls when you leave. More logistical information will be communicated as the clinic draws near. We are asking for a deposit of \$250.00 to hold your spot. This fee is NON-REFUNDABLE. Please check the appropriate sections below and return via USPS. Please include a return address and email for my records. Please make checks payable to Flo Hix.

A few notes: A Coggins and Health Papers (for those traveling out of state) are required. The only requirements for the clinic are that you and your horse are comfortable at a walk, trot, and canter in a group setting. We will serve lunch both days with a minimum donation of \$7.00 per person.

Thank you, we look forward to a wonderful time and to hosting you!
